**A tribute to Cpl. Jeffery B. Starr**

*We live in difficult times and it is appropriate to remember those that protect our freedoms.*

**Cpl. Jeffery B. Starr, 22,** of Snohomish, Wash.; assigned to the 1st Battalion, 5th Marine Regiment, 1st Marine Expeditionary Force, Camp Pendleton, Calif. He was killed May 30 by small-arms fire while conducting combat operations against enemy forces near Ramadi, Iraq.

**Died: May 30, 2005**

*He wrote on his laptop:*

"Obviously if you are reading this then I have died in Iraq. I kind of predicted this, that is why I'm writing this in November. A third time just seemed like I'm pushing my chances. I don't regret going, everybody dies but few get to do it for something as important as freedom. It may seem confusing why we are in Iraq, it's not to me. I'm here helping these people, so that they can live the way we live. Not have to worry about tyrants or vicious dictators. To do what they want with their lives. To me that is why I died. Others have died for my freedom, now this is my mark."

On September 11, 2001 our way of life was forever changed with the attack on America. Support our Troops!
