

WARRANTY CERTIFICATE

To whom it may concern

Lagoon certifies that Lagoon 450 F # 448 CNB45448D516 has been subject to a reinforcement of the forward bulkhead.

This forward bulkhead has been reinforced following Lagoon methodology as validated by VPLP, naval architects and designers of this boat.

The work was performed by Multitech Marine and completed on November 22, 2024.

This work carries a 1-year warranty from Lagoon and will be registered in Lagoon system for future reference.

Date : 03/12/2024

Hervé ROTH,
After-sales Service Manager
