Merry Christmas & Happy New Year

We all want the same things, for our friends & family, **Peace, Good Health, and Prosperity**. The **DEBATE** is about how to achieve these things. Achieving these things is not easy, The debate about “how” to improve our lives is extremely important to the extent our way of life & our country could be totally ruined if we go down the wrong path. We should listen to everyone, be more tolerant, keep an open mind and not have a melt down.

We never take our LIFE, LIBERTY or FREEDOM for granted! C'est la vie!

With Our Love, Glenn & Mary
