Merry Christmas & Happy New Year

Now that I just turned 80 years old, gave me pause me to reflect on my life. The reflections were simple, earning the Love & Respect of your family and friends is the most important thing, So, with my propensity to challenge people, I been call a curmudgeon, a grumpy old man, and an Ahole. In spite of my character, I still think I have a warm spot in the heart of most of my family and friends. And THANK GOD for my wonderful wife MARY who has tempered me to be civil for 50+ years. We have had a wonderfully full and amazingly adventurous LIFE together. No regrets! God Bless, Glenn & Mary

We never take our LIFE, LIBERTY or FREEDOM for granted! C'est la vie!

With Our Love, Glenn & Mary
